## Payment Options

### Billing Policies

E-Net works on an advanced billing system, which means your monthly statement reflects the future month's service. Billing for all accounts automatically starts when you make your first connection after the trial period (if any) has ended. All Month-To-Month contracts that are paid by statement will receive a one time **charge of \$25.00**. The \$25 billing start-up fee is waived on all annual accounts or accounts paid by credit card or auto-pay.

Payment Options Include:  Credit Card  Auto-Pay  Statement voided check required

**Credit Card Info:**  Visa  MasterCard  AmEx  Discover

Name On Card: \_\_\_\_\_ Exp. Date: \_\_\_\_\_

Card Number:     -     -     -

By choosing Credit Card or Auto-Pay billing, you authorize E-Net to deduct payments for Internet services each month or year depending on your contract.

## Contracts Options

### Contract Policies

All Internet service contracts, whether month-to-month, one-year, or two-year, **automatically renew** when the previous contract ends. Using your account past the current contract period signifies that you want the contract to renew. Early cancellation of any annual contract account will result in a penalty fee in accordance with E-Net's billing policies.

### Month-To-Month Contracts Prices Do NOT Include Tax

## Select Your User Name & Password

**Your user name must be 8 characters or less!** Your user name is all lower case and is used to connect your computer to an Internet server. It also becomes the first part of your e-mail address. (i.e. j67smith@enetis.net where "j67smith" is the user name) Please give two choices in case your first one is already used.

**Your password must be 6 characters or more!** You can use any combination of 6 or more upper and lower case letters, numbers, and punctuation. Please note that the password is case sensitive, so 'HELLO45' is different from 'hello45' is different from 'hElLo45'. Passwords are commonly all lower case to avoid confusion.
